METHOD OF PAYMENT

On all mail orders we accept C.O.D. (Money Orders/Certified Checks). **NO PERSONAL CHECKS ACCEPTED.** Our customers will be contacted with the total of the order prior to shipment. We also accept MasterCard, Visa, American Express and Discover.

FREIGHT

Items will be shipped via UPS or truck line. We do not ship via U.S. Postal Service, except to Alaska and Hawaii upon request.

RETURNS

Please inspect all merchandise after receiving to make sure it is what you ordered. We will not accept returns after 30 days, or netting that has been cut or treated. Nets are returnable for quality defects only.

SPECIAL ORDERS

For all items not regularly stocked or made to your specifications, we require a credit card number as a deposit.

SPECIAL NOTE TO OUR CUSTOMERS

Brunson Net & Supply, Inc. is not responsible for injury or property damage in the use of any product that we sell. Rope tensile strengths (lb. test) is on new rope under laboratory conditions. Safe working strengths are generally 10% to 15% of tensile strengths.

For questions or information on your state requirements please go to: www.fws.gov/offices/statelinks.html

MINNOW SEINES

POLYESTER

This is an all-purpose minnow seine – economical in price, yet superior in quality. It is made of extra-heavy weave, 100% polyester netting – the strongest of man-made fibers. Each seine is complete with floats and sinkers. Standard seines are 48" deep and lengths are from 10 feet to 50 feet. Brown in color. Made in USA.

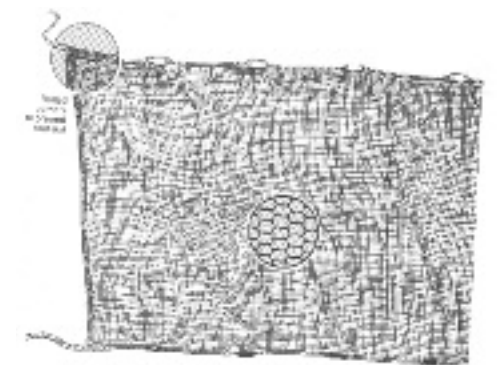

POLYESTER 1/8"

ITEM #	LENGTH	PRICE
382	10'	13.50
383	15'	19.00
384	20'	24.95
385	25'	30.00
386	30'	36.15
387	50'	59.95

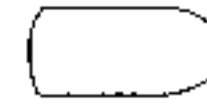

The lock-knitted netting in this seine is made of extra strong, multifilament yarn, to prevent runs and fraying. The seine has a delightful "feel" and ease of handling. It is also mildew resistant for longer life – a very good quality seine. The cords are over-edged in the netting for extra strength. Each net comes complete with floats and sinkers. Made in USA.

BAIT NETS

“Offshore Series”

Our Seamaster Nets are eight panel, pie-shape nets. Nets are hung with 1 oz. ball lead, 1.5 lb. lead per radius foot, on a special blended leadline for firmness, and durability. Netting is double selvage top and bottom, double knotted, and depth stretched, which makes a sleek, non-bulky net. Brail lines are 100 lb. test (.95 in dia.) tied to a solid brass, heavy duty swivel, 1 1/4" diameter PVC horn, and 30 ft. 5/16" handline, complete with bucket.
